PLATINUM PERFORMANCE SYSTEM™

Industry's Best Parts and Labor Warranty

When you specify the Platinum Performance System™, you are assured of performance that will protect your fleet and your maintenance costs by reducing down-time and protecting your wheel end investment. Available on both Tapered and Parallel axles.

The newly redesigned Guardian® HP seal, and STEMCO manufactured precision bearings allow us to confidently move from a five to a seven year warranty on wheel end components based on major improvements in reliability and durability.

Extend Your Wheel End Performance in the Aftermarket

With the Platinum Performance System™, you can gain a three year Aftermarket limited wheel end warranty.

Extend Your Aftermarket Wheel End Performance To Three Additional Years
