

# To Goodyear® Air Springs

**Thank you** for engineering and manufacturing the **highest quality, most respected air spring products** in the commercial trucking industry. Your innovations have improved ride quality, **reduced driver fatigue and improved safety** for millions of people worldwide. That's why, as another industry leader in safety and efficiency, **we at STEMCO are both proud and excited to be taking the baton and leading the Super Cushion® and Spring Ride® product lines** into the future.

**To our valued customers**, rest assured that the same **high-quality, reliable performance** that you've come to depend on from **Goodyear® Air Springs** will continue to be these products' defining characteristics now that they are under the STEMCO banner. The acquisition of **STEMCO Super Cushion® and Spring Ride®** components perfectly complements our dedication to **Making the Roadways Safer®**.

**Thank you.**
